

It Hangs On

If it was only health, we might let it cling. But it is a cough. One cold no sooner passes off before another comes. But it's the same old cough all the time. And it's the same old story, too. There is first the cold, then the cough, then pneumonia or consumption with the long sickness, and life trembling in the balance.

Ayer's Cherry Pectoral

loosens the grasp of your cough. The congestion of the throat and lungs is removed; all inflammation is subdued; the parts are put perfectly at rest and the cough drops away. It has no diseased tissues on which to hang.

Dr. Ayer's Cherry Pectoral Plaster

draws out inflammation of the lungs.

NEARLY

Fifty-eight Years Old!

It's a long life, but devotion to the true interests and prosperity of the American People has won for it new friends as the years rolled by and the original members of its family passed to their reward, and these admirers are loyal and steadfast today, with faith in its teachings, and confidence in the information which it brings to their homes and firesides.

As a natural consequence it enjoys in its old age all the vitality and vigor of its youth, strengthened and ripened by the experience of over half a century.

It has lived on its merits, and on the cordial support of progressive Americans. It is the "The New-York Weekly Tribune," acknowledged the country over as the leading National Family Newspaper.

Recognizing its value to those who desire all the news of the State and Nation, the publisher of "The News" has entered into an alliance with "The New-York Weekly Tribune" which enables him to furnish both papers at the trifling cost of \$1.00 per year.

Every farmer and villager owes to himself, to his family, and to the community in which he lives a cordial support of his local newspaper, as it works constantly and untiringly for his interests in every way, brings to his home all the news and happenings of his neighborhood, the doings of his friends, the condition and prospects for different crops, the prices in home markets, and, in fact, is a weekly visitor which should be found in every wide-awake, progressive family. Just think of it! Both of these papers for only \$1.00 a year. Send all subscriptions to "THE NEWS," Sequachee, Tenn.
